

Tide & Seek

Designed for students in Grades 2 - 3

Identify each continent:

Creature Lab, 2nd Floor:

I have a reputation of being one of the most ferocious freshwater fish in the world and my short jaws are very powerful and lined with razor sharp teeth. What am I, and on what continent can you find me?

I sit very still and wait for my prey. I look like a baby alligator, but I am full grown. What am I, and on what continent can you find me?

I'm a special type of fish that uses organs called electrocytes to generate an electric charge that is strong enough to injure a human being. I use my charge both to hunt for food and protect myself from predators. What am I?

We use our muscular pectoral fins to "walk" across the ocean floor! What are we?

Outside Exhibits – Seal Shores & Inguza Island

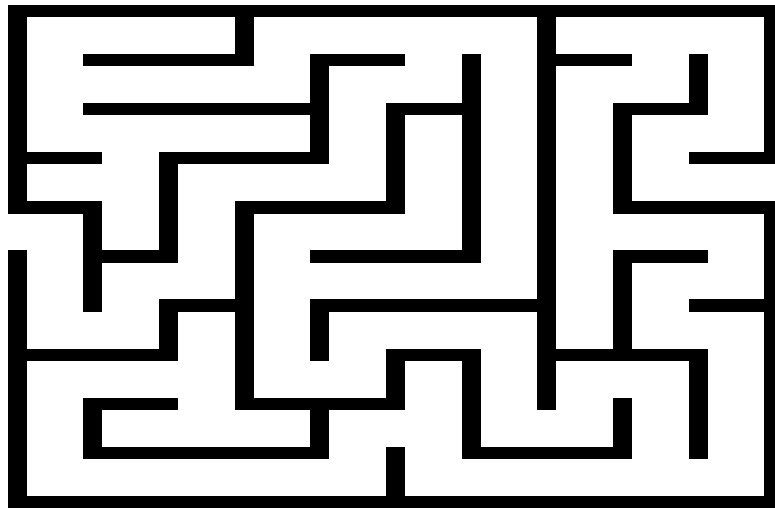

What continent are the penguins at the Aquarium from? _____

There are two species of seals at the Aquarium. What are they?

Ocean Realm

Mommy sea turtle needs to get to the beach to lay her eggs. Can you help her?

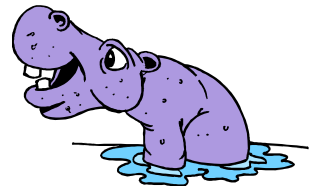

West African River Experience & Jules Verne Gallery

True or False?

The hippopotamus is a slow-moving, calm creature. **T F**

The African crested porcupine is able to shoot its quills at potential threats. **T F**

Lions and crocodiles kill more people in Africa every year than hippopotamus' do. **T F**

Shark Realm and Ocean Realm

Identify the animals found in the Shark Realm and Ocean Realm at the right and circle them in the puzzle below
