

Tide & Seek

Designed for students in Grades K - 1

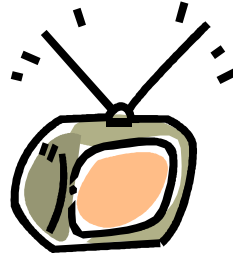

Every living thing needs four things to survive. For each animal, circle the item that satisfies one of those needs.

SHARK

WATER

TELEVISION

PHONE

PENGUIN

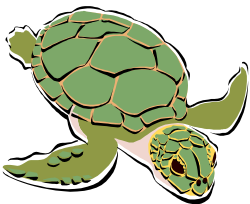

CAR

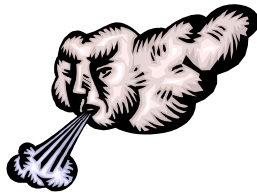

FOOD

SODA

SEA TURTLE

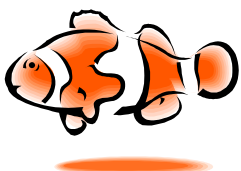

AIR

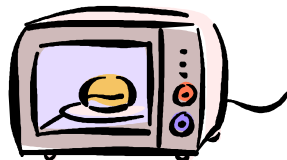

MONEY

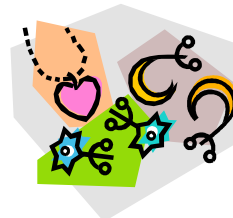

COMPUTER

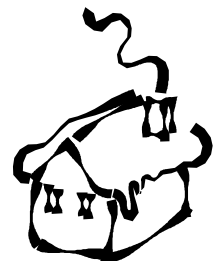

FISH

MICROWAVE

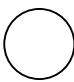

JEWELRY

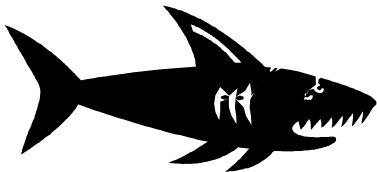

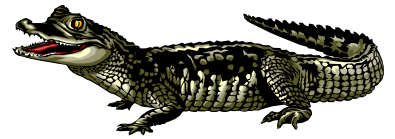

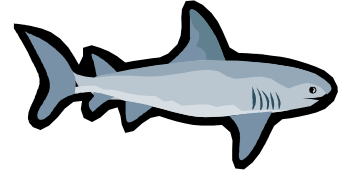

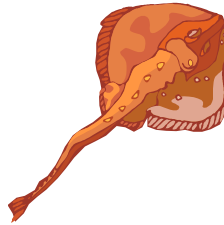

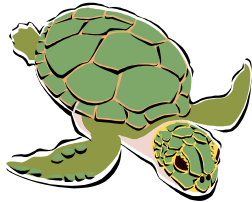

SHELTER

Draw a circle  around the animals that you were able to touch at the Aquarium.

Draw an "X" through ones that you could not touch!

Sharks can smell blood from a $\frac{1}{4}$ mile away! This hungry shark is trying to find some yummy fish to eat. Can you help him?
