

Adventure Aquarium has developed a new online ticket program for consignment partners. A brief overview of the program is listed below for your review.

- Receive a "promo code" that provides direct access to your consignment ticket pricing. The code can be used for your employees for personal use.
- This pricing may be promoted through your employee website and email blast.
- Visit www.AdventureAquarium.com and use the designated "promo code" to access your ticket pricing. Step by step directions will be provided. Employees can access from any computer.
- Employees simply click through the link and they will see the adult and child tickets available. They may update the quantity and pay with using credit card. A print-at-home ticket will pop up and they may print that for entry into Adventure Aquarium.
- Please do not submit payment more than once when viewing your shopping cart. This could lead to duplicate purchases on your credit card.
- The ticket prices are fixed and remain the same for all of our partners, which is \$18.73 for Adults and \$14.98 for children, with tax included. At this time, you are unable to add additional fees onto the ticket price.
- You will not need a physical ticket stock and will therefore, not make payments to Adventure Aquarium. All of the payments will come to us directly from the customer.

Please let me know if you have any questions. If you are interested in the online consignment program, it can be set up within 48 hours!

Thank you again for your interest in this new program and I look forward to working with you!

Sincerely,
